Dear Student,

You are registered for course # 3605-981, "New Visions Photography Camp" with Todd Shapera on August 8 - 13, 2010.

Parents, please note that Faculty has asked for your child to bring a point-and-shoot digital camera with sufficient memory cards to this workshop. Ideally, participants of this kids' camp would bring 2 memory cards of 500 mb to 1 GB each.

By allowing your child to bring a specific camera to the camp, you are assuming all responsibility for the condition of that camera. Omega Institute cannot be responsible for loss of, or damage to, your camera.

We look forward to seeing you this summer!

Sincerely,

The Omega Staff
