Greetings!!

I'm delighted that you're going to become a Professional Certified Soul Coach™ (and a Past Life Coach). [May](#) our journey together be filled with joy and miracles!

The Creator always sends me the most amazing participants and for this reason I'm honored that you've enrolled for this seminar. I look forward to getting to know you . . . and I really look forward to hearing about the remarkable results that you get with your future clients!

Awakening the Best in the Human Spirit

Requirements for the Course:

Of course, you [may](#) want to look over the Soul Coaching® program that's available in the Soul Coaching® book (Hay House Publishing). Some people go through it, on their own, before they arrive . . . but it's not necessary. (You'll be learning how to take people through this Soul Coaching® program, as well as learning how to work one-on-one with your clients.) The only requirement that I have is that you come with an open heart. Our journey together is a path of the heart, one that benefits you personally as much it benefits your future clients and students.
